YOUR TRUTH-IN-SAVINGS DISCLOSURE

To open your account, complete the appropriate account application and return it to our Member Services Representative. Please read this brochure completely and retain it with your personal records.

All agreements and disclosures shall be construed in accordance with the provisions of the California Uniform Commercial Code (UCC). Share "Savings" accounts, share draft "checking" accounts and share certificate "certificate" accounts are subject to the requirements below and such other terms and conditions as established by the Board of Directors and as contained in the account agreements.

In this Truth-in-Savings Disclosure and Agreement, the terms "you" and "your(s)" refer to the member, and the terms "we," "us," "our(s)" and "Credit Union" refer to North County Credit Union.

Information Regarding Member Identification

To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account.

What this means for our Members: When you open an account, we will ask for your name, address, date of birth, and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying objects.

General Information About All of Our Accounts

Par Value

The par value of a share in North County Credit Union is \$5.

Accrual of Dividends

Dividends begin to accrue on the business day you deposit cash or non-cash items (e.g., checks) to your account if deposited before close of business. If you close your savings or checking account before dividends are paid, you will not receive accrued dividends.

Dividend Rates

The initial dividend rate and Annual Percentage Yield on our savings, checking and certificate accounts are stated on the Rate Schedule accompanying this Truth-in-Savings Disclosure and Agreement. Dividends are paid from current income and available earnings after required transfers to reserves at the end of a dividend period.

Balance Information

We compute the balance in our savings accounts, checking accounts and certificates to determine the dividends you will be paid by using the daily balance method which applies a daily periodic rate to the balance in your account each day.

Bylaw Requirements

The maximum amount of shares which may be held by any one member shall be established from time to time by resolution of the board.

A member who reduces his share balance below the par value of one share and does not increase the balance to at least the par value of one share within 3 months of the reduction may be terminated from membership at the end of a dividend period. Shares may be transferred only from one member to another, by written instrument in such form as the Credit Union may prescribe. No transfer of voting rights or other membership privilege is permitted by virtue of transfer to or co-ownership of shares by nonmembers. The Credit Union reserves the right, at any time, to require members to give, in writing, not less than 7 days and not more than 60 days' notice of intention to withdraw the whole or any part of the amounts so paid in by them.

No member may withdraw shareholdings that are pledged as required for security on loans without the written approval of the credit committee or a loan officer, except to the extent that such shares exceed the member's total primary and contingent liability to the Credit Union. No member may withdraw any shareholdings below the amount of his/her primary or contingent liability to the Credit Union if he/she is delinquent as a borrower, or if borrowers for whom he/she is comaker, endorser, or guarantor are delinquent, without the written consent of the credit committee or loan officer.

Requirement to Maintain a Membership Savings Account

You must open a Membership Savings Account to open any subsequent accounts. You must maintain the Membership Savings Account to avoid closure of that account and any subsequent accounts.

Consent to Contact (Non-Telemarketing Only)

You give your express consent for the Credit Union and others acting on our behalf to contact you at any telephone number you give to us or we obtain from any other source (including any wireless phone or VoIP number), using any calling or texting technology (including any automatic telephone dialing system, artificial voice or prerecorded voice), regarding this account or any other relationship you now or later have with the Credit Union. You agree that you have not provided, and will not provide to us, any telephone number unless you are the subscriber to the service or the customary user of the telephone to which that number relates unless you tell us in writing. If you revoke this authorization, you agree to do so in a way that is likely to provide us with notice in time to process that revocation before we make any further calls or send any further texts, such as by using one of the methods designated by the Credit Union for such purpose.

Changes in Terms and Conditions

The use of an account is subject to such other terms, conditions and requirements as the Credit Union may establish from time to time. The Credit Union has the right to change the terms and conditions of this Agreement at any time, in any manner, and for any reason. We may delete or modify existing terms. We may add new terms without regard to whether the matter is already addressed by this Agreement. We may offer new or different services at any time, and may convert an existing account or service into a new account or service. We will generally notify you in advance of changes by sending written notice to your address as it appears on our records. However, we may make changes without sending you advance notice, unless such notice is required by law. By continuing to use or keep your account open, you will be deemed to accept and agree to any such changes in terms.

Electronic Fund Transfers Disclosure

This Electronic Fund Transfers (EFT) Disclosure and Agreement as amended from time to time ("Agreement") sets forth the terms and conditions governing the use of the North County Credit Union electronic transfer services. Disclosure information that applies to all electronic services offered by North County Credit Union is given below, followed by specific disclosure information for each service. North County Credit Union may also provide remittance transfers (defined by Regulation E, subpart B, as an "electronic transfer of funds of more than \$15 which is requested by a sender and sent to a designated recipient in a foreign country by a remittance transfer provider"). The terms and conditions for such electronic fund transfers will be disclosed to you separately when you receive those services, and may differ from the terms and conditions disclosed herein. This EFT Agreement takes the place of all prior agreements and disclosures governing the use of all electronic services. By retaining, using, or allowing others to use the electronic services offered by North County Credit Union, you are agreeing to be bound by the terms and conditions of this EFT Agreement.

Personal Identification Number

We will issue you a Personal Identification Number (PIN) that must be used with the Card for transactions that require the use of a PIN. We will also issue you a Personal Identification Number/Access Code for use of the Internet Teller, e-statements, and Bill Pay Management services. These numbers should be memorized. DO NOT write the PIN on your ATM/Check Card, or where it is easily accessible to others. After memorizing your PIN/Access Code, you should destroy the notice disclosing your PIN/Access Code in a secure manner. If you forget, misplace or otherwise disclose your PIN/Access Code, contact the credit union and we will issue you a new one.

Right to Receive Documentation of Transactions

You will get a monthly account statement or receive notification of the availability of an e-Statement reflecting all of your transactions unless there is no activity in a particular month. In any case you will get the statement at least quarterly. Depending on the terminal, or if the transaction is \$15 or less, you may receive a receipt at the time you make a transaction at a terminal. If you do receive a receipt, retain the receipt to compare with your monthly statement from the Credit Union.

Your Liability for Lost, Stolen or Unauthorized Transactions Involving Automated Teller Machine Cards

Tell us AT ONCE if you believe your ATM/POS Card and/or Personal Identification Number (PIN) has been lost or stolen or if you believe that an electronic transfer has been made without your permission using information from your check. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line of credit if you have one with us). If you tell us within two (2) business days, you can lose no more than \$50 if someone used your ATM/POS Card or PIN without your permission. If you DO NOT tell us within two (2) business days after you learn of the loss or theft of your ATM/POS Card or PIN, and we can prove that we could have stopped someone from using your ATM/POS Card or PIN without your permission if you had told us, you could lose as much as \$500. Also, if your statement shows transfers that you did not make, tell us at once. If you do not tell us within 60 days after the statement was mailed to you, you may not get back any money you lost after the 60 days if we can prove that we could have stopped someone from taking the money if you had told us in time. If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time periods. If you have authorized someone else to use the ATM/POS Card and/or PIN, you are responsible for all transactions that person or persons initiates at any time, even if the amount or transactions exceed what you may have authorized.

Your Liability For Lost, Stolen Or Unauthorized Transactions Involving Check Cards

Tell us AT ONCE if you believe your Check Card and/or Personal Identification Number (PIN) has been lost or stolen or if your statement shows an electronic fund transfer has been made without your permission using information from your check. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line of credit if you have one with us). If you tell us within 60 days of our sending your statement, you can lose no more than \$50 if someone used your check card without your permission. If you do not tell us within 60 days after the statement was mailed to you, you may not get back any money you lost after the close of the 60 days and before notice to us. If your delay in notifying us was due to extenuating circumstances beyond your reasonable control, including extended travel, your or a member of your family's death or serious illness, hospitalization, permanent mental impairment or serious physical impairment, unless the circumstance did not reasonably contribute to your delay in notifying us within the 60-day period, we will extend the 60-day period by a reasonable period.

Special Notice to Visa® Check Cardholders

If there is an unauthorized use of your Visa Check Card or a Plus Network or Interlink transaction, and the transaction takes place on the Visa network, then your liability will be zero (\$0.00). This provision limiting your liability does not apply to Visa Corporate Card Transactions, Visa Purchasing Card Transactions, Anonymous Visa Prepaid Card Transactions, ATM cash disbursements processed on non-Visa or non-Plus networks, or non-Visa PIN-less debit transactions. Additionally, your liability with respect to unauthorized transactions may be greater than the above zero (\$0.00) liability limit, to the extent allowed under applicable law, if the credit union reasonably determines, based on substantial evidence, that you were negligent or fraudulent in the handling of your account or card. In any case, to minimize your potential liability you should notify us of any unauthorized use no later than 60 days after your statement was mailed to you.

- b) the transaction would go over the credit limit on your credit line;

- c) the terminal where you were making the transaction did not have enough cash;

We will determine whether an error occurred within 10 business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 calendar days to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. (If the error you assert is an unauthorized Visa transaction, other than a cash disbursement at an ATM, we will credit your account within 5 business days unless we determine that the circumstances or your account history warrant a delay, in which case you will receive credit within 10 business days.) If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account.

For errors involving new accounts, point-of-sale, or foreign-initiated transactions, we may take up to ninety (90) days to investigate your complaint or question. For new accounts, we may take up to twenty (20) business days to credit your account for the amount you think is in error.

We will tell you the results within three (3) business days after completing our investigation. If we decide that there was no error, we will send you a written explanation within three business days after we finish our investigation. You may ask for copies of the documents that we used in our investigation.

You may use your ATM card at terminals displaying the CO-OP, PLUS, STAR, and Visa logos. All ATM/POS Card transactions are subject to the terms and conditions of your account agreements with us governing the affected accounts.

When you use an ATM not owned by North County Credit Union, you may be charged a fee by the ATM operator and you may be charged a fee for a balance inquiry even if you do not complete a fund transfer. A fee will not be imposed for use of an ATM or Check Card issued by North County Credit Union for use of an electronic terminal operated by North County Credit Union.

Transactions Available

You may use your ATM/POS Card to perform the following transactions:

- make deposits to your savings or checking account;
- withdraw cash from your savings or checking, or you may access your line of credit;

Various institutions which participate in networks of which the Credit Union is a member may have withdrawal limits different from the amount set forth herein. In the event that a specific ATM is so limited, you may not be able to withdraw more than the cash limit of that particular ATM. You may make POS transactions up to a total of \$1,000 in each 24-hour period.

Access Cards

All ATM Cards/POS Cards are non-transferable and belong to the Credit Union. The Credit Union may cancel, modify and restrict the use of any ATM/POS Card upon proper notice or without notice if your account is overdrawn or where necessary to maintain or restore the security of accounts on the ATM system.

ATM Safety

An ATM provides a quick and convenient way to access your money. However, use caution and remember the following safety tips whenever you use an ATM:

- Be aware of the surroundings, particularly at night.
- Look for well-lighted ATMs when transacting at night.
- If you notice anything suspicious when approaching the ATM, return later or use another ATM.
- Have your transaction ready before you go to the ATM. When you can, fill out any deposit or withdrawal slips/envelopes before leaving your vehicle.
- Have your ATM Card ready, to avoid going through your purse or searching through the contents of your wallet at the ATM site.
- If you notice anything suspicious while you are transacting business, immediately stop your transaction, put your ATM Card away and leave.
- Consider having another person accompany you to the ATM.
- Immediately report all crimes to the ATM operator and to local law enforcement officials.
- Stand close to the ATM and away from others in line to avoid detection of your PIN or other account information.
- Put your cash away as soon as the transaction is complete; count the cash later in the safety of your vehicle or home.
- Never give information to strangers at the ATM or to anyone over the phone. Be aware of fraud or people who pose as Credit Union employees who try to get information from you. This information should only be discussed in person by you at the Credit Union.
- Remember to keep your PIN a secret. Make sure not to write it on your ATM Card or anywhere else in your wallet; thieves can easily figure out the reason for “hidden” or “secret” numbers.

➔ *Additional Disclosures Applicable to Check Card Services*

Issuance of Card

“Card” means the North County Credit Union Visa® Check Card and any duplicates, renewals, or substitutions the Credit Union issues to you; “Account” means the account designated on the application for your Check Card.

Responsibility for Transactions

You are responsible for all transactions you make with the Card or that you authorize another person to make with the Card. You understand that if you disclose your Check Card PIN to anyone, they will have access to all accounts identified by your account number. If the Account is a joint account, all transactions involving the Account are binding on all Account holders.

Effect of Agreement

Even though the sales, cash advance, or other slips that you sign or receive when using the Card or the Account number on the Card may contain different terms, this Agreement is the Agreement that applies to all transactions involving the Card.

Merchant Disputes

For POS transactions directly accessing a line of credit, the credit union is not responsible for the refusal of any merchant or financial institution to honor the card. The credit union is subject to claims and defenses (other than tort claims) arising out of goods or services you purchase with the card if you have made a good faith attempt but have been unable to obtain satisfaction from the merchant or service provider and (a) your purchase was made in response to an advertisement the credit union sent or participated in sending to you or (b) your purchase cost more than \$50 and was made in your state or within 100 miles of your home.

Limitations on Dollar Amounts and Frequency of Transactions

Purchases made above the floor limit of the merchant will require an authorization number from Visa.

Use of The Card

You may use the Card and PIN to:

- withdraw cash from your savings, checking, or Line of Credit Accounts at ATMs displaying the CO-OP, PLUS, STAR, or Visa logos;
- withdraw cash from your Accounts at merchants or financial institutions which accept Visa Check Cards;
- transfer funds between your savings, checking, or Line of Credit Accounts and another account you have with the Credit Union; and
- make deposits to one of your savings, checking, or Line of Credit Accounts.

You may use the Card without the PIN to:

- purchase goods or services at places that accept Visa Check Cards (these are point-of-sale or POS transactions);
- order goods or services by mail or telephone from places that accept Visa Check Cards;

- order goods or services without a PIN by mail, online, or telephone at merchants who offer the payment transactions processed through the STAR, PULSE, CO-OP, ACCEL/Exchange or any other Debit Card network; and
- make automatic payments from your Account to pay bills or other charges, providing that the person or organization that you are paying agrees to accept payments this way.

Some of these services may not be available at all terminals.

Use of the Card, the Account number on the Card, the PIN or any combination of the three for payments, purchases, or to obtain cash from merchants, financial institutions or others who honor Visa Check Cards is an order by you for the withdrawal of the amount of the Transaction from your Account. Each Transaction with the Card will be charged to your Account on the date the Transaction is posted to your Account. When the Credit Union receives notification of a Check Card transaction, it will put a hold on an equivalent amount of funds in your checking account for 3 days.

All Check Card transactions covered by this Agreement are subject to the terms and conditions of your Account agreements with us governing the affected Accounts, except as modified by this Agreement. Any future changes to your Account agreements may affect the use of the card.

Illegal Use of Visa® Check Card

You agree that your Visa Check Card Account will not be used to make or facilitate any transaction(s) that are or might be construed to be illegal pursuant to applicable law, rule or ordinance, including but not limited to gambling. Said use, including any such authorized use, will constitute an event of default under this Agreement. You agree that the Credit Union has no liability, responsibility or culpability whatsoever for any such use by you or any authorized user(s). You agree that you are responsible for repayment of any and all debts incurred for these transactions. You further agree to indemnify and hold the Credit Union harmless from any suits, liability, damages or adverse action of any kind that results directly or indirectly from such illegal use.

Overdrafts

You promise to pay the Credit Union immediately upon demand for any negative (overdraft) balance arising in your Account, unless you have available overdraft privileges. If you do not have overdraft privileges, the Credit Union may deduct the amount of any overdraft on your Account from any other account you have with the Credit Union, except an Individual Retirement Account.

Refusal to Honor Card

The Credit Union is not liable for the refusal or inability of any electronic terminal to honor the Card or to complete a withdrawal from your Account, or for their retention of the Card. The Credit Union is also not responsible for the refusal of any merchant or financial institution to honor the Card or for their retention of the Card.

Foreign Transactions

Purchases and cash advances made in foreign currencies will be billed to you in U.S. dollars. Transactions processed outside of the United States, or in a foreign currency may be charged a foreign transaction fee, regardless of whether there is a currency conversion associated with the transaction. Foreign transactions include transactions initiated in the U.S. authorizing access to a debit card, credit card or deposit account number using a telephone, computer or mobile device application but with a merchant who processes the transaction in a foreign country. The conversion rate in dollars will be a rate selected by Visa from a range of rates available in wholesale currency markets for the applicable Central Processing Date, which rate may vary from the rate Visa itself receives, or the government-mandated rate in effect for the applicable Central Processing Date in each instance, plus a one percentage point (1%) fee charged by the Issuer.

Regulations Relating to Electronic Fund Transfers

Applicable Law

This agreement and notice applies to funds transfers as defined in the Article 4A of the Uniform Commercial Code and Subpart B of Regulation J of the Board of Governors of the Federal Reserve System.

Funds Transfer Cut-Off Time

The Credit Union may establish or change cut-off times for the receipt and processing of funds transfer requests, amendments, or cancellations. Unless other times are posted for the various types of funds transfers, the cut-off time will be at 11 a.m. PST on each weekday that the Credit Union is open excluding holidays. Payment orders, cancellations, or amendments received after the applicable cut-off time may be treated as having been received on the next funds transfer business day and processed accordingly.

Service Charges/Fees

The Credit Union may charge your account for the amount of any funds transfer initiated by you or by any person authorized by you as a joint tenant or other authorized party with the right of access to the account from which the funds transfer is to be made. Please refer to our Schedule of Fees and Charges for current fees.

Security Procedures

The Credit Union may establish, from time to time, security procedures to verify the authenticity of a payment order. You will be notified of the security procedure, if any, to be used to verify payment orders issued by you or for which your account will be liable. You agree that the authenticity of payment orders may be verified using that security procedure unless you notify the Credit Union in writing that you do not agree to that security procedure. In that event, the Credit Union shall have no obligation to accept any payment order from you or other authorized parties on the account until you and the Credit Union agree, in writing, on an alternate security procedure.

Use of Fedwires

If you send or receive a wire transfer, Fedwire may be used. Regulation J will govern Fedwire transactions, except to the extent of a conflict between Regulation E and Regulation J with respect to remittance transfers, in which case, Regulation E shall govern.

Identification of Beneficiary

If you give the Credit Union a payment order which identifies the beneficiary (recipient of the funds) by both name and identifying or account number, payment may be made by the beneficiary's bank on the basis of the identifying or bank account number, even if the number identifies a person different than the named beneficiary. This means that you will be responsible to the Credit Union if the funds transfer is completed on the basis of the identification number you provided the Credit Union.

Identification of Beneficiary and Intermediary Bank By Number

If you give the Credit Union a payment order which identifies an intermediary or beneficiary's bank by both name and an identifying number, a receiving bank may rely on the number as the proper identification even if it identifies a different bank than the named bank. This means that you will be responsible for any loss or expenses incurred by a receiving bank which executes or attempts to execute the payment order in reliance on the identifying number you provided.

Provisional ACH Payments

The Credit Union may at its discretion give you credit for automated clearinghouse (ACH) payments before it receives final settlement of the funds transfer. Any such credit is provisional until the Credit Union receives final settlement of the payment. You are hereby notified and agree, if the Credit Union does not receive such final settlement, that it is entitled to a refund from you of the amount credited to you in connection with that ACH entry. This means that the Credit Union may provide you with access to ACH funds before the Credit Union actually receives the money. However, if the Credit Union does not receive the money, then the Credit Union may reverse the entry on your account and you would be liable to repay the Credit Union.

Notice of Receipt Of ACH Funds

ACH transactions are governed by operating rules of the National Automated Clearing House Association. In accordance with these rules, the Credit Union will not provide you with next day notice of receipt of ACH credit transfers to your account. You will continue to receive notices of receipt of ACH items in the periodic account statements which we provide.

Receipt of Incoming (Non-ACH) Funds Transfers

If the Credit Union receives a funds transfer for you or for other persons authorized to have access to your account, you agree that the Credit Union is not obligated to provide you with next day notice of the receipt of the funds transfer. The Credit Union will provide you with notification of the receipt of all funds transfers by including such items in the periodic account statements which we provide. You may, of course, inquire between receipt of periodic statements whether or not a specific funds transfer has been received.

Payment Of Dividends (Or Interest)

If the Credit Union becomes obligated under Article 4A to pay interest (or dividends) to you, you agree that the rate of interest (or dividends) to be paid shall be equal to the dividend rate, on a daily basis, applicable to the account at the Credit Union to which the funds transfer should have been made or from which the funds transfer was made.

Your Ability to Withdraw Funds

Our policy is to make funds from your cash and check deposits available to you on the first business day after the day we receive your deposit. Electronic direct deposits will be available on the day we receive the deposit. Once the funds are available, you can withdraw them in cash and we will use them to pay checks that you have written.

We will generally make funds from your deposited checks available to you sooner than we are able to collect the funds for that check. In some cases, checks you deposit may be returned unpaid. You are responsible for your deposits, even if we previously made those funds available to you and you withdrew them. If a check you deposited is returned unpaid for any reason, you will have to repay us and we may assess a returned item fee as set forth in our Fee Schedule, even if doing so causes your account to become overdrawn.

For determining the availability of your deposits, every day is a business day, except Saturdays, Sundays, and federal holidays. If you make a deposit before close of business on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit after close of business or on a day we are not open, we will consider that the deposit was made on the next business day we are open.

Longer Delays May Apply

In some cases, we will not make all of the funds that you deposit by check available to you on the first business day after the day of your deposit. Depending on the type of check that you deposit, funds may not be available until the second business day after the day of your deposit. The first \$275 of your deposits will be available on the first business day.

If we are not going to make all of the funds from your deposit available on the first business day, we will notify you at the time you make your deposit. We will also tell you when the funds will be available. If your deposit is not made directly to one of our employees, or if we decide to take this action after you have left the premises, we will mail you the notice by the day after we receive your deposit.

If you will need the funds from a deposit right away, you should ask us when the funds will be available.

In addition, funds you deposit by check may be delayed for a longer period under the following circumstances:

- we believe a check you deposit will not be paid;
- you deposit checks totaling more than \$6,725 on any one day;
- you redeposit a check that has been returned unpaid;
- you have overdrawn your account repeatedly in the last six months; or
- there is an emergency, such as failure of computer or communications equipment.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the 7th business day after the day of your deposit.

Special Rules for New Accounts

If you are a new member, the following special rules will apply during the first 30 days your account is open. Funds from electronic direct deposits to your account will be available on the day we receive the deposit. Funds from deposits of cash, wire transfers, and the first \$6,725 of a day's total deposits of cashier's, certified, teller's, traveler's, and federal, state and local government checks will be available on the first business day after the day of your deposit if the deposit meets certain conditions. For example, the checks must be payable to you (and you may have to use a special deposit slip). The excess over \$6,725 will be available on the ninth business day after the day of your deposit. If your deposit of these checks (other than a U.S. Treasury check) is not made in person to one of our employees, the first \$6,725 will not be available until the second business day after the day of your deposit.

Funds from all other check deposits will be available on the 11th business day after the day of your deposit.

Deposits at Automated Teller Machines

Funds from any deposits (cash or checks) made at automated teller machines (ATM's) we do not own or operate will not be available until the third business day after the day of your deposit. This rule does not apply at ATM's that we own or operate.

You agree to pay the Credit Union all of our costs and reasonable attorneys' fees, including all collection costs, litigation costs, skip-tracing fees, and outside services fees incurred while we are enforcing our rights under this Agreement.

Credit Union's Right To Offset

Account Holder(s) agrees that the Credit Union has the right to offset against any account of any Account Holder to cover any amount owing to the Credit Union for any reason. Account Holder(s) understand that this means that the Credit Union has the right to impress and enforce a statutory lien against the Account Holder(s)'s share and dividends in the event of the failure of the Account Holder(s) to satisfy any financial obligation due and payable to the Credit Union. Account Holder(s) understand that the Credit Union may enforce this right without further notice except Individual Retirement Accounts (IRA), Keogh Plan, Social Security/SSI, and as otherwise prohibited by law.

Governing Law

This TIS Agreement shall be construed in accordance with the laws of the State of California, including the California Uniform Commercial Code (UCC).

Transfers to Third Parties

No more than six preauthorized, automatic, online or telephonic transfers made to another account at the Credit Union or to a third party or no more than six transfers or withdrawals made by check, draft, debit card or similar order payable to a third party may be made from each savings account or money market deposit account in any calendar month. If an Account Holder exceeds, or attempts to exceed, these transfer limits, the excess transfer requests may be refused or reversed, a fee may be imposed on the excess transfer requests, and the Credit Union may reclassify or close the account. Transfers initiated by telephone must be counted among the six monthly transfers, except that there are no limits on the number of withdrawals paid directly to an Account Holder when initiated by mail, telephone or messenger. There are no limits on the number of withdrawals if initiated in person.

Withdrawals, Prior Notice Requirement

The board of directors reserves the right, at any time, to require members to give, in writing, not less than 7 days, and not more than 60 days, notice of intention to withdraw the whole or any part of the amounts so paid in by them.

➔ *Checking Account Agreement*

Withdrawals, Approved Methods

Only checking blanks and other methods approved by the Credit Union may be used to withdraw funds from a checking account.

Electronic Check Conversion

Upon prior notification from the merchant to the Account Holder, a purchase made with a check can be converted to a one-time electronic fund transfer (EFT) if authorized by the Account Holder. The Account Holder may also authorize merchants to electronically debit the account for returned check fees. It is agreed that the Account Holder authorizes the electronic funds transfers if the transaction is completed after being told (orally or by a notice posted) that the transfer may be processed electronically or if the Account Holder signs a written authorization.

Checks

The Credit Union may pay and charge to the applicable checking account, checks drawn by and payable to any person, organization, association or corporation that has been authorized by an Account Holder to be paid, by the provision of MICR encoded information on the account. It is agreed that the Credit Union's rights in respect to such checks shall be the same as if it were a check drawn and signed by an Account Holder(s) personally. This authority shall remain in effect until revoked by an Account Holder in writing. It is agreed that the Credit Union shall be fully protected in honoring such checks. It is further agreed that if any such check is dishonored, whether with or without cause, and whether intentionally or inadvertently, the Credit Union shall incur no liability whatsoever, even though such dishonor results in the forfeit of insurance, loss or damage of any kind.

Overdrafts

The Credit Union is under no obligation to pay a check which exceeds the available balance in an account; the Credit Union may, however, pay such a check and recover or obtain a refund of the amount of the resulting overdraft plus a service charge from any of the Account Holders of this account, each of whom expressly agrees that each Account Holder is jointly and severally liable for any and all overdrafts of this account and any and all associated costs created by any Account Holder.

NOTICE REGARDING NSF FEES: When an item is returned unpaid due to insufficient available funds [and not covered by the Courtesy Pay Program,] you will be charged a Non-Sufficient Funds (NSF) fee, as stated in the Credit Union's Fee Schedule. If multiple items are returned unpaid due to insufficient available funds on the same day, you will be charged an NSF fee for each returned item. The same item may be presented for payment more than once, and you will be charged an NSF fee each time that item is presented and returned due to insufficient available funds.

Order of Posting: The order in which items are paid is important if there is not enough money in your account to pay all of the items that are presented. We will pay checks, automated debits (ACH), Debit Card transactions, ATM withdrawals and point-of-sale transactions in the order presented to the Credit Union. Multiple checks presented for payment on the same day will be paid in check number order. For ACH transactions, deposits are posted first then debits are posted by settlement date, then lowest to highest amount. For ATM Card and Debit Card transactions, items are posted in the order received. You understand that the order in which items are processed can affect the total amount of fees that may be assessed against your account. The Credit Union reserves the right to adjust the above processing times in its sole discretion.

Actual and Available Balances: It is also important that you understand the difference between your "actual balance" and your "available balance" in order to properly manage the money in your account and avoid overdraft and insufficient fund fees. Your "actual balance" is the beginning of the day balance after the prior evening's posting. This balance is changed at the close of business every day and stands as is until the close of business on the following day. Your "available balance" is the amount you have in your account at a particular time that is available for immediate withdrawal. Your available balance is updated throughout the day to reflect holds, pending transactions and cleared deposits. The difference between your actual balance and your available balance is the result of pending activity that has not yet posted to the account (example, any "pending" deposits, checks, transfers and withdrawals or holds on your account). We will use the "available balance" in your account to determine if you have sufficient funds to cover your transactions. You can determine your available balance at the ATM, by phone or by accessing your account online or with mobile banking.

You understand that you may be overdrawn even when your actual balance is positive. You also understand that you may still overdraw your account even though the available balance appears to show there are sufficient funds to cover a transaction that you wish to make because your available balance will not reflect all your outstanding checks, automatic bill payments or recent deposits. In addition, your available balance will not reflect all of your debit card transactions. For example, if a merchant obtains your prior authorization but does not submit a one-time debit card transaction for payment within three (3) business days of authorization (or for up to thirty (30) business days for certain types of debit card transactions), we are required to release the authorization hold on the transaction. The available balance will not reflect this transaction once the hold has been released until the transaction has been received by us and paid from your account. We do not determine and are not responsible for any hold amounts placed by merchants. We encourage you discuss such holds with merchants to determine how much the merchant may place on hold. You must also keep careful records and practice good account management to avoid making transactions without sufficient funds available for withdrawal. For additional details on the availability of your funds for withdrawal, see the section entitled "Funds Availability Policy." If you have additional questions about your available or actual balance, please see a branch representative or call (858) 487-1880.

Example 1: If you write a check for \$25 but it has not yet cleared your account, your available balance will be \$25 less than what is reflected by your actual balance.

Example 2: If you authorize a debit card transaction for \$30 but it has not yet posted to your account, your available balance will be \$30 less than what is reflected by your actual balance.

Example 3: The following transactions are not reflected in your available balance:

- Any checks you have written that have not yet been presented for payment.
- Any automatic bill payments you have scheduled that have not yet been sent.
- Any debit card transactions where the authorization hold has been released but the transaction has not yet been submitted to the Credit Union.

Courtesy Cover Program

The Credit Union recognizes that sometimes you may overdraw your checking account. In such cases the Credit Union may decide to honor checks for which there are insufficient funds. This is the Credit Union's Courtesy Cover Program. The Credit Union provides the Courtesy Cover Program as an accommodation to you and is not obligated to do so, even when it has done so in the past. You do not apply for this service.

The Credit Union may honor overdrafts, including checks, Visa Check Card Transactions, and ACH items so long as you meet the following criteria:

- must be a member in good standing;
- checking account must be open for a minimum of 90 days;
- minimum age of 18 years or older;
- account has not had a negative balance of \$1.00 or more for more than 30 days;
- loans cannot be delinquent more than \$300 for a period of more than 14 days; and
- account must have deposits (excluding transfers) totaling at least \$500 within the last 32 days prior to overdraft.

Unless the Credit Union currently has your affirmative consent (opt-in) on file, we will not approve your overdrafts for Visa Check Card Transactions. You must tell us you want overdraft coverage for these transactions. To request overdraft coverage for your Visa Check Card purchases, contact us at (858) 487-1880, or write to us at P.O. Box 289014, San Diego, CA 92198-9014. Complete the Overdraft Consent Form and return it to any Credit Union branch or mail it to us at the address shown. The Credit Union will provide you with written confirmation of your opt-in choice.

When an overdraft is covered, the account will be taken negative by the dollar amount of the overdraft plus the amount of the Courtesy Cover fee. If we honor multiple overdrafts we may honor them in any order at the Credit Union's option or return any such items. The maximum dollar amount of overdrafts the Credit Union will cover for each member is \$525, including the Courtesy Cover fee.

When the Credit Union honors overdraft items, you must deposit funds immediately, but in no case more than forty-five (45) days from the date of the earliest overdraft. If you fail to cover the total overdraft amount within forty-five (45) days, the Credit Union may pursue all collection options available to it. The Credit Union may, but is not obligated to, transfer funds from your other accounts with us to cover the overdraft.

The Courtesy Cover Program fee is a flat fee charged regardless of the amount the account is overdrawn and will be charged for each overdraft item presented and paid by the Credit Union. The charge for the Courtesy Cover service is described in our Fee Schedule. The Credit Union will send you a notice for each item covered by the Courtesy Cover service.

The Courtesy Cover Program is a discretionary privilege offered members and not a right of membership. The Credit Union encourages you to properly maintain your accounts with us. You agree that the Credit Union will not be held liable for either paying or refusing to pay any overdraft item. The Credit Union reserves the right to discontinue this service at any time without any notice.

If you do not want the Courtesy Cover Program, you must inform the Credit Union either by sending written notice to North County Credit Union, P. O. Box 289014, San Diego, CA 92198, or by using our secure e-mail form on our website at www.northcountycu.org.

Stale-Dated Checks

The Credit Union is under no obligation but may pay a check which is presented more than six (6) months after it is dated. The Credit Union may assess a special handling charge upon receipt of any such item in addition to a service charge upon the account in accordance with the fee schedules adopted by the Credit Union and as amended from time to time.

Stop Payments

Any Account Holder(s) of this account may stop payment of any item drawn against the account. The Stop Payment Order must describe the item with reasonable certainty and must be received in such time and manner as to afford the Credit Union a reasonable opportunity to act upon it. A Stop Payment Order is effective for six (6) months, but it lapses after 14 calendar days if the original order was oral and was not confirmed in writing within that 14 day period. The Stop Payment Order may be renewed in writing for an additional six (6) month period.

Truncation of Drafts

The Account Holder(s) acknowledges that checks are truncated and hereby waives any and all rights to receive the items without prejudice to any of the Credit Union's defenses available under the California Uniform Commercial Code (UCC).

Liability of Credit Union

Except for its own lack of good faith or failure to exercise ordinary care, the Credit Union is not liable for any action it takes regarding the payment or nonpayment of a check, even if nonpayment results in the forfeit of insurance, loss or damage of any kind.

Closure of Account

The Credit Union may close a checking account at any time. Closure of a checking account will not affect the obligation to pay any outstanding balances or charges owed.

For Checking Accounts with Savings Overdraft Protection

If any Account Holder(s) writes a check that would result in this Checking Account being overdrawn, the Credit Union is authorized to charge the designated savings account(s), regardless of which party signed the item, in such multiples as determined by the Credit Union sufficient to permit the Credit Union to honor the check and any associated fees and to credit such charge to this Checking Account. No checking overdraft may be paid by charging a savings account if, as a result of such charge, that savings account would be subject in any one month to more than six pre-authorized, automatic or telephonic transfers.

For Checking Accounts with Loan Overdraft Protection

If any Account Holder(s) writes a check which would result in this Checking Account being overdrawn, and if at that time any Account Holder(s) is eligible to receive loan advances from this Credit Union on a loan designated on the Overdraft Agreement, the Credit Union is authorized to make an advance from the designated loan account, and to credit the advance to this Checking Account in such multiples as determined by the Credit Union sufficient to permit the Credit Union to honor such check and any associated fees.

Pledging of Funds

Certificates may not be pledged, transferred, or assigned to any party other than the Credit Union unless otherwise provided by statute. Funds invested for an Individual Retirement Account (IRA) or Keogh Plan may not be pledged as security for any loan. The Credit Union reserves the right to offset this certificate except as otherwise precluded by law. If the Credit Union offsets funds from this certificate, the funds withdrawn are subject to the early withdrawal penalty.
